By: Kymmie Krieger

LONG BEACH, California (April 13-14, 2014) – The 6th Annual Punk Rock Picnic Musical Festival is coming to the Queen Mary Events Park Saturday, April 13th through Sunday, April 14th, 2013. Presented by Affliction, American Chaos, and Sailor Jerry, this event promises a rock extravaganza not to be missed.

For the first time ever, this epic music event will span across two full days and four complete stages. Steve Smith, the man responsible for this legendary rock weekend, is never one to disappoint. He has been producing top tier bands, popular vendors, and stellar stage performances at this event since 2008. Former Punk Rock Picnic venues have included must-go California hotspots such as Irvine Lake, Canyon Ranch, and Hidden Valley Ranch.

While the event speaks for itself, it is purely the star studded band lineups that draw the crowds in and keep them coming back for more. Past performances have included big name punk rockers like Cro Mags, Jello Biafra, Fear, Angry Samoans, Guttermouth, Ill-Repute, TSOL, Dwarves, and Agression just to name a few. There is no lack of musical talent at this event.

Tickets for this event are already on sale. Children under ten are free. With a 6,500 person fan capacity limit, this is sure to be a maxed out music phenomenon. For ticket purchase options, please see below.

The 2013 Punk Rock Picnic line-up includes mainstream artists such as DANZIG, Amerikan Made, DC Fallout, The Mentors, GWAR, Hit the Switch, The Gashers and many more. With multiple, booming stages situated within the beauty of the Queen Mary Events Park, this concert promises musical greatness and a good time for all ages. Food, beverage, and souvenir vendors set up within the park for further fan entertainment between concerts. All band line-ups and performance times will be posted and updated through the official Punk Rock Picnic website.

The 2013 Annual Punk Rock Picnic will take place on Saturday, April 13th through Sunday, April 14th, rain or shine, and offers music, vendors, food, and fun for all fellow punk rockers and families. The Queen Mary Events Park offers the perfect venue for this epic two-day event which will present over 80 live rock bands across four stages. This is an outdoor event.
